A Letter to the Prime Minister – Year Zero Films

Offering a singular take on the Invasion and Occupation of Iraq, 'A Letter to the Prime Minister' follows trainee barrister, human rights observer and clown – Jo Wilding on her remarkable journey of the last few years.

Using her own diary extracts Jo serves as witness to the destruction of the lives of ordinary people during the bombing campaign and their subsequent neglect by Occupation forces. She also forms the Boomchucka Circus to work with school children and refugees.

Exclusive footage from the besieged city of Falluja in April 2004 creates a moving picture of the terrible impact UK & US foreign policy has had on ordinary Iraqi people, while the film itself stands as a powerful act of remembrance. **The film will be followed by a short discussion.**

The Yurt (a 21ft Mongolian style tent) is a truly unique cinema space.

There is no charge, but donations for the filmmaker are welcome.
