

Mischievous Medieval Mayhem

Mainly a Medley of Merry Missives, Mystery and Music from a Menagerie of Maladjusted Minstrels

Golden Horde present a cornucopia of medieval stories; epics garnered from bards, rude riddles, and the tender travails of troubadours to warm you on an autumn evening, together with some odd (possibly very odd) songs.

Join us around the wood burning fire under the red canopy of a hand crafted Yurt.

Golden Horde are a quartet of actors and storytellers who bring the magic of theatre into the intimate world of storytelling.
